NLG CDs nach Titeln

Stand: 02.02.12

Hinweise für die Benutzung des Registers

Das vorliegende Register enthält alle aktuell im Sortiment befindlichen Titel. Der überwiegende Teil der Titel ist ab Lager NLG lieferbar. Den Rest, das sind diejenigen Titel, die bei uns erfahrungsgemäß sehr selten nachgefragt werden, können wir Ihnen je nach Lieferant innerhalb 1-3 Tagen besorgen. Über entsprechende Felder auf unserem Bestellformular bzw. unseren Webshop können Sie steuern, wie wir in solchen Fällen verfahren sollen, ob wir den Eingang fehlender Titel abwarten, diese nachliefern oder auf sie ganz verzichten sollen.

In gedruckter Form bieten wir Nachschlageregister für Bücher & DVDs sowie für CDs an. Daneben halten wir zahlreiche Verlagskataloge sowie solche zu unseren NonBook-Sortimenten bereit, die bebildert und mit beschreibenden Texten versehen sind. Für eine komfortable Suche nach Titeln, Themen, Schlagworten, Lieferanten usw. können Sie unseren Webshop nutzen, der stets tagesaktuelle Informationen liefert und viele Servicetools enthält. Der Shop gibt auch Informationen über vergriffene bzw. neu aufgenommene Produkte oder solche, die wir Ihnen besorgen können.

Alle in unseren Registern ausgewiesenen Preise sind verbindliche (Bücher) bzw. empfohlene Ladenpreise. Die Wiederverkäuferrichtungen erhalten Sie von uns nach erfolgter Händlerregistrierung. Irrtum und Änderungen der hier veröffentlichten Informationen behalten wir uns vor.
